3.15 - 3.25	Live edit - go on the google doc and edit the notes into a manifesto for how you think city should be planned - change colours, make important things bigger, add words, take them away, add pictures whatever you want!	<a href="https://docs.google.com/document/d/1gzsNIFlgh0AldZWM3sY7Z8foYInPelpgOZoncasiLZI/edit?usp=sharing">https://docs.google.com/document/d/1gzsNIFlgh0AldZWM3sY7Z8foYInPelpgOZoncasiLZI/edit?usp=sharing</a>

3.35 - 4.00	log back in, now using the area plans/maps as a base and the manifesto as inspiration, use whatever you can to symbolize the future you want to see in your area! This can be very symbolic eg collaging city wolves onto a golf course, or very literally eg drawing lines onto road to signify busses.	Word/paint users will have to be more inventive about how to use words. All maps will be sent as files into the chat. City centre ones available for if you don't want to do where you live. Not sending examples as don't want to influence anyone's creativity as every way is a right way, but if anyone is struggling I can private send you some inspo.
4.00 - 4.15	each person feedback	if log out before people have finished, log back on, and give a big round of applause!
	scan/photo and send to contact@elmalart.com to be included in a big nation wide speculative proposal!
